

INSPECT BEFORE RECEIVING

MAKE A DETAILED DESCRIPTION OF OBVIOUS OR SUSPECTED DAMAGE ON THE BILL OF LADING OR THE DELIVERY RECEIPT. Without notation of the damage, you are receiving your shipment free and clear, thus waiving your rights to file a freight claim.

Shipments with obvious damage should not be accepted. Notate on Delivery Receipt- "Shipment refused due to damage."

ALL SHIPMENTS MUST BE OPENED AND INSPECTED IMMEDIATELY. Concealed freight damage claims must be reported within 7 days. After this time, no claims are allowed by freight lines.

IF THIS SHIPMENT NEEDS TO BE RETURNED, please contact the supplier for a Return Authorization. No shipments will be accepted by the supplier without a Return Authorization number attached. All returns must be packaged correctly. Contact the supplier for packaging instructions.

This shipment left our dock in perfect condition. Products damaged in shipping are claims against the freight line, not the supplier.
